Senior Wordpress Developer

ANABIA TECH - Lahore, Pakistan | Jun 2024 - Mar 2025

I worked as a Senior WordPress Developer during the night shift, where I was responsible for developing, customizing, and maintaining WordPress websites. My role included customizing themes and plugins, optimizing website performance, troubleshooting technical issues, and ensuring responsive, user-friendly designs aligned with client requirements. Additionally, I collaborated with cross-functional teams to deliver high-quality web solutions within tight deadlines.

Senior WordPress Developer / Web Designer

WEPROMS MARKETING AGENCY - Lahore, Pakistan | Feb 2024 - Present

I worked as a Senior WordPress Developer, responsible for developing, customizing, and maintaining WordPress websites. My role included creating custom themes and plugins, optimizing website performance, troubleshooting technical issues, and ensuring responsive, user-friendly designs. I was also responsible for handling cPanel, domain management, and hosting-related tasks, including website migrations, server configurations, and email setups, ensuring smooth website operations and minimal downtime.

WordPress Developer / Web Developer(Part-Time)

ZEROPIXEL - Lahore, Pakistan | Jul 2023 - Dec 2023

WordPress Developer / Web Developer

DIGITAL INSIDES - Lahore, Pakistan | Jan 2023 - Jan 2024

I started my career at Digital Insides as a WordPress Development Intern, where I gained hands-on experience in website design, customization, and troubleshooting. Through consistent performance and dedication, I progressed to the role of Senior WordPress Developer. In this role, I was responsible for developing and maintaining WordPress websites, optimizing website speed and performance, and ensuring mobile responsiveness. Additionally, I managed cPanel, domains, and hosting services, handled website migrations, server configurations, and email setups, ensuring smooth and reliable website operations.
